**Meeting Minutes**  
**Town of Indialantic**  
**Regular Meeting of the Town Council**  
**Council Chamber, 216 Fifth Avenue, Indialantic, FL 32903**  
**Wednesday, February 8, 2023, at 7:00 p.m.**

**A. Call to Order:**

A regular meeting of the Indialantic Town Council was called to order by Mayor McDermott at 6:59 p.m. with the following members present:

Honorable Mark McDermott, Mayor  
Honorable Stu Glass, Deputy Mayor  
Honorable Julie McKnight, Councilmember  
Honorable Doug Wright, Councilmember  
Honorable Loren Strand, Councilmember

Also present:

Michael Casey, Town Manager  
Paul Gougelman, Town Attorney  
Rebekah Raddon, Town Clerk  
Michael Connor, Chief of Police  
Sgt. Weber, Police Dept.  
Jason Steele, Town Lobbyist

1. Mayor McDermott led the Pledge of Allegiance.
2. Changes to Agenda: Mayor McDermott asked to hear Public Comments, Non-agenda items, before the Fifth Avenue Study Committee update.
- ~~3. Presentations: Fifth Avenue Study Committee Update (Greg Harrigan, Chairman, et al.)~~
4. Public Comments, Non-Agenda Items:

A representative for U.S. Small Business Administration (SBA), spoke regarding disaster loans for homeowners, renters, and businesses. He advised that the deadline for Hurricane Nicole loan assistance is Feb. 13. Anyone with questions can call 1-800-659-2955.

Jason Steele, Town Lobbyist, spoke regarding his goal to get a special exemption from FP&L to allow the town to hang illuminated holiday decorations from the light poles. He

spoke regarding the state budget and noted that excess funds can be allocated for municipal shovel-ready projects. Town Attorney Gougelman expressed concern regarding affordable housing initiatives which he feels could increase density beachside; he feels the money would be better spent on the mainland. Mr. Steele advised he would address these issues in Tallahassee.

5. Presentations: Fifth Avenue Study Committee Update

Fifth Avenue Study Committee Chairman Greg Harrigan introduced himself, thanked the committee volunteers and town staff for their efforts, and advised that committee member Pam Rothenberg was present. He referred to a handout he shared with council which posed several questions. He advised that conducting a downtown study was discussed numerous times in the past 25 years, yet no action was ever taken. He spoke at length regarding the creation, scope, and structure of the committee and difficulties with communication due to the Florida sunshine law requirements. Discussion ensued; councilmembers' shared their observations that committee members were limited in working together due to the sunshine law and also most weren't aware of the time commitment. They noted that committee members are unpaid volunteers and the issues being addressed are complicated, and dealing with landlords can be challenging. One councilmember hoped the committee could work on identifying issues with code enforcement and the code itself, and inspire change and public engagement. Mr. Harrigan advised that a lack of resources, the requirement to bring items to council for approval, and the infrequency of meetings were all constraints. Mr. Harrigan posed a number of questions to the council and further discussion was held regarding: who is in charge of long term growth and development, a need for urban planning, a lack of vision, code enforcement policies and a desire for stricter code enforcement to prevent places such as CVS from going downhill, engaging all town staff more for code enforcement so neighbors aren't pitted against each other, accountability, avoiding scarcity mentality, getting funding for shovel-ready projects, and redevelopment. After responding and discussing the topics further, it was the consensus of the council to consider setting a date for a workshop once a clear objective is established.

Loren Goldfard, 320 DeLand Avenue, recommended starting with smaller, achievable tasks. The town manager can be asked to increase code enforcement now and deal with issues such as painting and parking later. He felt a workshop wasn't necessary and advised that if you ask ten people, you will get ten different opinions. Ultimately, council is the decision-maker and that is why they are elected.

Marquita Fuchs, 120 Tampa Avenue, stated the importance of code enforcement and advised that AirBnb's and businesses are being run from residences, and numerous codes are violated every day.

Gabriel Strand, 120 Ormond Avenue, suggested reaching out to neighbors and friends for input and ideas for what should happen after code enforcement issues are addressed.

6. Mayor McDermott read the following Public Announcements:

- There are openings on the following boards and committees: Board of Adjustment; Budget and Finance; Civil Service; and the Fifth Avenue Study Committee
- There will be a Special Town Council Meeting on Thursday, Feb. 16, 2023 at 5:30 p.m. at Town Hall to review/approve a Joint Partnership Agreement with FDOT for the Fifth Avenue median landscaping project.
- Town Hall will be closed on Monday, Feb. 20, in observance of Presidents' Day

**B. Consent Agenda:**

1. Approve town council meeting minutes Jan. 11, 2023
2. Approve stormwater agreement – Fourth Avenue Townhomes
3. Approve FEMA grant agreement #Z2961 for Hurricane Ian assistance
4. Approve the following Appointments/Reappointments:
  - a) Heritage Committee – Reappoint Pam Dunn; reappoint Denise Bozeman
  - b) Parks, Recreation, & Beautification Committee – Reappoint Stacie Miller

Motion by Deputy Mayor Glass, seconded by Councilmember Strand, and vote unanimous to approve the consent agenda as written. Motion carried 5-0.

**C. Ordinances and Public Hearings:**

1. Ordinance 2023-01, First Reading/Public Hearing, *Changing regular council meeting dates/times:*  
AN ORDINANCE OF THE TOWN OF INDIALANTIC, BREVARD COUNTY, FLORIDA, RELATING TO TOWN COUNCIL MEETINGS; MAKING FINDINGS; AMENDING AND PROVIDING FOR THE TIME, PLACE, AND LOCATION OF TOWN COUNCIL MEETINGS; AMENDING SECTION 2-31 AND 2-32, TOWN OF INDIALANTIC CODE OF ORDINANCES; PROVIDING FOR SEVERABILITY/ INTERPRETATION; AND PROVIDING AN EFFECTIVE DATE.

Town Attorney Gougelman read the ordinance title.

Motion by Deputy Mayor Glass, seconded by Councilmember Wright to approve Ordinance 2023-01 on first reading. There were no public comments.

Motion carried unanimously, 5-0.

#### **D. Unfinished Business:**

1. Request for Rectangular Rapid Flashing Beacon (RRFB) at S. Miramar Ave. and Eleventh Ave.  
Town Manager Casey advised that FDOT had no record of this request and if the council wishes, he can draft a formal request for an RRFB.

Motion by Councilmember Wright, seconded by Deputy Mayor Glass, and vote unanimous to have the town manager contact FDOT to request an RRFB at S. Miramar Ave. / Eleventh Avenue. Motion carried 5-0.

2. Town notification systems

Discussion was held regarding how to inform the public about Everbridge, the town's new emergency alert notification system, and other important news. Ideas included the town's newsletter, Indialantic Neighbors magazine, mailers, door hangers, and using a QR code to make it easier to sign up. Councilmember Strand offered to pay for a mailer and/or assist with door-to-door distribution. Town Manager Casey will get pricing for Notify Me, a website tool that allows people to subscribe to whichever topic interests them.

#### **E. New Business:**

1. Social Media Policy Review

Deputy Mayor Glass asked to table this item until next month to allow time to gather more data.

2. IT Options

Councilmember Strand referred to his memo in the agenda packet which details his ideas for increasing IT support for the town and conducting a professional audit.

Mr. Casey advised that there has been a breach of town employee personal information and the police department has had to shut down some functionality while the breach is being investigated. This is an urgent matter and he asked for authorization to spend up to \$30,000 to separate the police and town hall servers, get the police department fully operational, and secure the town's IT infrastructure.

Motion by Deputy Mayor Glass, seconded by Councilmember Wright, to authorize the town manager take any necessary action to make the police department and IT department operational. Further discussion ensued.

#### **Public Comments:**

Linda Beeman, 217 Sixth Avenue, said it sounds like there are two separate issues; there is an urgent need to shore up the breach of personal identifying information and also create a long-term solution to prevent any other breaches. She advised that the town's server may

not be patchable due to its age, and it likely will be cheaper to get a new server. Without an analysis, the town may keep having issues and she recommends a long-range plan.

After further discussion, Deputy Mayor Glass agreed to amend the motion to authorize expenditures not to exceed \$30,000; Councilmember Wright concurred with the amendment and the motion carried unanimously, 5-0.

Mr. Casey advised there were issues with the town's website, email, and Hostgator. He supports transitioning the town's website to a professional government website and Office 365 for email, and moving away from Hostgator.

Motion by Councilmember Strand, seconded by Mayor McDermott to have the town manager create clear requirements and a request for proposal for a reputable IT Company to conduct an audit of the IT Systems and for his recommendations of choice for email, website, and hosting. This work output will be delivered to the council within 1 to 2 months from this date for further consideration.

Deputy Mayor Glass asked the clerk to reread the motion; Town Clerk Raddon read the motion and Councilmember Strand advised that his motion included email, website, and hosting.

Public Comments:

Loren Goldfarb, 320 Deland Ave., is glad these changes are happening as this was an issue when he was a councilmember. He advised that IT is as critical as a police car, a fire truck, or a public works truck, and the town's previous philosophy of treating IT like a leaky toilet doesn't work. He feels the town manager shouldn't be tasked with IT as that is not his role. He suggested choosing an independent third party consultant specializing in small, local Florida governments to conduct the audit, not an IT company that provides IT services. He feels the town is probably not in compliance with Florida law regarding how emails are stored and other issues related to technology. He inquired why we have a server on site and recommended a cloud-based server.

After further discussion, the motion carried unanimously 5-0.

3. Disbursement of Witch Way 5K proceeds:

Motion by Councilmember McKnight, seconded by Councilmember Strand, and vote unanimous to distribute the funds as listed by the town manager. Motion carried 5-0.

4. Storm Water Pipe Repairs at 5<sup>th</sup> Ave. and Wavecrest Ave.:

Town Manager Casey described the repairs needed which involves slip lining the pipe, at a cost of just over \$20,000. Slip lining the pipe will eliminate the need to tear up the road, and ARPA funds can be utilized for the project.

Motion by Councilmember Strand, seconded by Mayor McDermott to authorize the Town Manager to sign a contract with Shenandoah Pipe Inspection & Restoration Specialist in the amount \$20,896.35 using funds unallocated from the Coronavirus State and Local Fiscal Recovery Funds (CSLFRF), a part of the American Rescue Plan Act (ARPA) funds.

Councilmember Strand inquired about the end of life of slip lining versus installing a concrete pipe. After some discussion, the item was tabled until the special council meeting scheduled for Feb. 16, 2023.

5. Town Lobbyist tasks: Advocate for holiday decorations on FP&L Poles  
Councilmember McKnight does not want to settle for darkness on Fifth Avenue this next holiday season and spoke in support of lit decorations whether they are battery, solar powered, or metered. She advised there may be grant funding which could help pay for them and looks forward to input from Mr. Steele. Discussion ensued regarding the holiday decorations.

#### **F. Administrative Reports:**

1. Town Attorney – None.
2. Town Manager – Mr. Casey advised that the Florida Marathon is this weekend.

#### **G. Council Reports:**

Councilmember Strand thanked Town Clerk Raddon for the quality of the agenda packet, especially the bookmarking which made the document more accessible and easier to navigate, and also the meeting minutes. He advised that residents are very appreciative of the minutes and they are a good balance of brevity and detail.

Councilmember Wright advised he is working on a purchasing policy with the town manager and town attorney.

#### **H. Adjournment:**

There being no further discussion, the meeting was adjourned at 9:23 p.m.

**SUBJECT: Ordinance 2023-01 Second/Final Reading: Changing  
Regular Council Meeting Dates and Times**

**Staff Report – Town of Indialantic**

**Meeting Date: March 8, 2023**

**Summary:**

At the Jan. 11, 2023 Town Council Meeting, council members approved drafting an ordinance that would change the regular council meeting schedule dates and times. Town Clerk Raddon suggested the meeting be changed from the *Wednesday preceding the second Thursday of each month* to the second Wednesday of each month which is easier for residents and staff to remember. She also requested the meeting times be changed from 7pm to 6pm and noted that most municipalities in Brevard County hold council meetings earlier than 7pm which is convenient for staff and residents. Ordinance 2023-01 was approved on first reading, Feb. 8, 2023.

**Recommendation:**

Adopt Ordinance 2023-01

**MOTION:**  
Adopt Ordinance 2023-01.

## FDOT SR 500 / US 192 – Landscape Medians

### Option A: Keep existing Washington palms

- The existing Washington Palm layout does not meet the current FDOT Design Manual (FDM). A design variation request to FDOT is required to propose this option.
- A Design Variation submittal has already been made and was submitted on March 1<sup>st</sup>, 2023.
- FDOT's standard review process is 20 working days. Expect FDOT response by March 30<sup>th</sup>, 2023.

At the April 12<sup>th</sup> Board Meeting:

- If Option A to keep existing Washington palms is **Approved**, see Exhibit – Project Schedule for the critical timeline.
- If Option A to keep existing Washington palms is **Denied**, consider alternative Options B, C, D below.

### Option B: Propose Foxtail Palms

- The landscape plans proposing Foxtail Palms are previously approved by FDOT.
- The critical timeline outlined in the Project Schedule can still apply if chosen at the April 12<sup>th</sup> Board Meeting.
- Foxtail Palms are less costly than Medjool Palms and their cost will be covered by the grant funds.

### Option C: Propose Medjool Date Palms

- This option has not been submitted to FDOT for final review. FDOT's standard review process is 20 working days. Earliest resubmittal to FDOT possible: April 14<sup>th</sup>, 2023 and expected FDOT response: May 12<sup>th</sup>, 2023.
- The critical timeline outlined in the Project Schedule will need to be adjusted. A signed JPA following Board Approval must be formed by *early* June to receive the 2023 grant funds (FDOT's 2023 fiscal year is 7/01/2022 - **6/30/2023**.)
- In 2019, FDOT commented on the use of Medjool Palms. FDOT Comment: *The project features the use of Medjool Date Palms. Given the district's increasing mortality of palms due to the growing impacts of Lethal Bronzing, confirm with the maintaining agency that the use of Phoenix palms is acceptable given phoenix palms are the most susceptible to lethal bronzing of any palm species. Other specimen palm species alternates could be considered with less susceptibility to disease.* Medjool Palms will require antibiotic injections every 4-6 months and will increase maintenance costs. In addition, Medjool Palms are costly to replace.
- Due to significant price escalation over the last 4 years, the proposal of Medjool Palms increases the project's installed cost above the awarded grant amount.
- If Option C is Denied, Option B can be submitted.
- So that a signed JPA is formed before early June 2023, a special Board Meeting may be required to approve a JPA for Option C, or for Option B if it follows a submittal of Option C to FDOT first)

- If the Bid Opening occurs past June 30<sup>th</sup>, the project's design standards and specifications will need to be updated in the contract documents. This may or may not affect the design & specifications.

**Option D: Walk away from grant**

- This will result in a loss of the grant funds
- FDOT may give notice and require the landscape medians (palms and groundcovers) to be brought into compliance with the FDM standards.

**SUBJECT: Fifth Avenue Study Committee Dissolution**

**Staff Report – Town of Indialantic**

**Meeting Date: March 8, 2023**

**Summary:**

At the February council meeting, Fifth Avenue Study Committee Chairman Greg Harrigan spoke regarding the creation, scope, and structure of the special advisory committee and difficulties with communication due to the Florida sunshine law requirements. Mr. Harrigan advised that a lack of resources, the requirement to bring items to council for approval, and the infrequency of meetings were all constraints on the committee.

Mr. Harrigan has resigned from the committee effective March 1 and recommends it be dissolved. The committee has not been able to form a quorum since their last meeting on December 5, 2022, and no longer has enough members to form a quorum. The committee, which was formed in May 2022 and held its first meeting in August 2022, has a limited duration of 365 days.

**SUBJECT: Agenda items E. 2 – E. 3** Surveillance and Procurement Policies

**Staff Report – Town of Indialantic**

**Meeting Date: March 8, 2023**

**Summary:**

Councilmember Wright asked for discussion and feedback regarding two policies he is working on. The surveillance policy is intended to address concerns with the town adopting / deploying persistent general surveillance and what that means. This is in response to the Flock system being installed.

The procurement policy is a broad policy that defines what thresholds require town manager approval and what requires town council approval. It includes provisions for emergency, budget line items, when quotes are required and allows for small items to be procured without town manager approval.

Code section 2.4 already requires "Council approval required to obligate town" i.e. the approval of contracts, so that was not included in the policy but can be cross-referenced if necessary.

# TOWN MANAGER'S REPORT

March 8, 2023

## 1. Intergovernmental Activity:

- a. **US-192/SR-500 Resurfacing:** FDOT is proposing to resurface US-192/SR-500 (aka Fifth Avenue) from the easternmost relief bridge to SR-A1A in FY-22. (04/16/18) FDOT has agreed to analyze the mid-block crossings and determine if Rectangular Rapid Flashing Beacons (RRFBs) are warranted. (06/18/18) FDOT has determined that pedestrian counts indicate that Rapid Rectangular Flashing Beacons (RRFBs) are not warranted at the Fifth Avenue mid-block pedestrian crossings. However, FDOT did recommend improving the lighting and signage at these locations which will be factored into the resurfacing project that should commence in FY-22. (04/16/19) FDOT has determined that pedestrian activated crossing signals are not warranted for mid-block crossings on Fifth Avenue at this time. (05/08/19) Resurfacing scheduled for FDOT fiscal year 2023, scheduled for 11/22 (2/3/20) FDOT notified of input meetings coming up soon.(11/4/20) FDOT sent notification of changes for crossings during repaving, adding now midblock RRFBs crossings in updated plans.
